## TAX REFORM BENEFITS BOTH BUSINESSES AND WORKERS

The changes to the corporate tax will benefit Louisiana businesses by providing an influx of capital that can be used to create jobs, increase wages, or invest in the overall economy. In addition, a significant amount of this savings will be passed through to workers through higher wages or benefits.

It is estimated that 94,797 jobs will be created along with an increase in wages by \$3,137,930,200. In particular, the Business and Personal Services, Travel and Entertainment, and Retailing industries will benefit from the Conference proposal and overall, wages will rise by more than 2.3 percent.
