### TAX REFORM BENEFITS BOTH BUSINESSES AND WORKERS

The changes to the corporate tax will benefit Utah businesses by providing an influx of capital that can be used to create jobs, increase wages, or invest in the overall economy. In addition, a significant amount of this savings will be passed through to workers through higher wages or benefits.

It is estimated that 59,565 jobs will be created along with an increase in wages by \$2,091,019,800. In particular, the Business and Personal Services, Travel and Entertainment, and Retailing industries will benefit from the Conference proposal and overall, wages will rise by more than 2.3 percent.

Utah taxpayers, especially those in the middle to lower classes, will see their taxes reduced by as much as 12.9 percent in the year following the enactment of the Conference proposal. These cuts occur across the board, with people in all income groups seeing a reduction.<sup>3</sup>

<sup>1</sup> According to a study released by John Dunham & Associates and local policy groups.

<sup>2</sup> Total growth over 10 years above the CBO baseline.

<sup>3</sup> Note that some reductions might actually be larger than 100% due to certain refundable tax credit provisions. Does not include taxes paid due to repatriation or movement to territorial system
